Date: Monday, March 3rd, 2014

To: Fort Lee Officials

From: Fort Lee Traffic Bureau

Type of Incident: Road Work

Location: Center Avenue Overpass

On Friday, March 7th, 2014, the Port Authority will be repairing the Center Avenue overpass. The work area will be about mid-block in the left lane/sidewalk. Due to the roadwork, it will need the two left lanes of the overpass closed. There will be one lane open for traffic. We are anticipating the road work to cause minor backup on Center Avenue. They will begin work on Friday at 11am and will continue until Saturday afternoon at 5pm. Please advise your personnel.
